traditional

The story model

These are aligned!

The Problems

1. Good Stories Have Unity

Problem carries

crafted as a unit

through

2. The Combinatorial Explosion

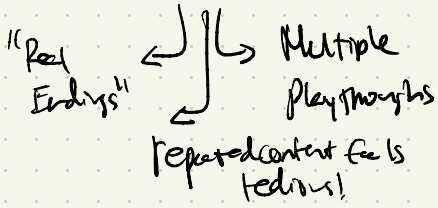

↳ Choosing options leads to loss of meaningful choices

Story Machine

3. Multiple Endings Disappoint

4. Not Enough Verbs

But I can't argue!

5. The Real makes Tragedy Obsolete

Games give → FREEDOM
→ CONTROL

but the way → INEVITABILITY

Grows Obstacles & Conflicts

Make it REAL

→ terrible as real as real world

Simplicity & Transcendence

↓
Games simpler than real world

↓
Player is more powerful than in real world

Hero's Journey

FLEXIBLE

CONSISTENT

accessible!
