PONG ATHLON

BOOZY OBSTACLE COURSE

Ever wanted to make your friends drunkenly crack eggs on their heads? This is your chance! Pongathlon is the party game that kicks beer pong up a notch by challenging players to complete embarrassing tasks and lead their teams to victory. Players take turns in teams to aim ping pong balls into cups of beer at the other end of the table. Each cup comes with a challenge, and the harder the challenge, the more points the team wins. Complete the challenge and sink another cup to make your friends on your team complete more hilarious challenges. From chaotic makeovers and scandalous texting to hot sauce shots and dangerous drinks, Pongathlon brings all kinds of fun to the party. Stack up the most points with the highest scoring cups to crush the opposition!
