Oops, I accidentally emailed my boss a picture of a [nsfw noun] instead of my presentation!

My office decided to celebrate [living object] Appreciation Day, and now I'm expected to perform a dance routine dressed as one at the party!

I accidentally wore my [living object] fan club t-shirt to work, and now my coworkers think I'm an expert on [same noun]s and want me to host a trivia night.

I just started my new job as a [job title], but I accidentally bumped into my boss and spilled [a type of liquid] all over his shirt!

As a [job title], I'm torn between attending my dream conference in [location] or staying home for my pet [animal]'s birthday party.

My day at work as a [job title] started with a surprise: a delivery of 100 live [small animal plural]. Now I'm trying to figure out how to handle them before my boss sees the chaos!

Pick half of the players to draw with their non-dominant hand

Pick two players to swap drawings

Pick two players to swap prompts

Choose one player that cannot use the word "to" when presenting.

Pick one player. They can only view their prompt once half the drawing time has elapsed.

Every player gives their drawing to the person to their right, who presents the solution without knowing the original problem.

Pick half of the players to draw with their non-dominant hand

Pick half of the players to draw with their non-dominant hand

Pick half the players – they must draw their solution with one continuous line.

Pick half the players – they must draw their solution using only triangles and squares.

Pick one player, and edit one of their filled-in blanks as you choose.

Pick one player to close their eyes while drawing for the rest of the time.
