Mission

As you and your friends stepped into the zoo, the gates swiftly closed, trapping all of you inside. A quick glance at the brochure map clutched in your hands reveals a solitary exit located on the opposite side from where you currently stand. To escape, you must navigate through all the captivating animal exhibitions, uncovering puzzles and keys along the way that hold the key to unlocking the final exit.

CONTINUED **BEASTLY BREAKOUT**

Within each exhibition, a payphone awaits your use, serving as a lifeline to security. However, your backpack holds only two precious coins, limiting you to seeking assistance twice throughout this daunting adventure. The exhibitions progressively escalate in difficulty, transitioning from mild-mannered creatures to their more aggressive counterparts. Starved and agitated, the animals await their next meal, for there is no one present to tend to their needs. As each round nears its end, a pivotal decision must be made: which team member will you sacrifice to the clutches of these beasts? In doing so, your team gains additional time, equivalent to half of the initial allotted time for that particular exhibition.

RULES & PREMISES

BEASTLY BREAKOUT

1

Objective: The primary goal is to escape the zoo by reaching the final exit on the opposite end from the entrance.

2

Teamwork: You are part of a group of friends trapped inside the zoo. Collaboration and teamwork are crucial for success.

3

Limited Assistance: You possess only two coins in your backpack, which can be used to call security for help during challenging moments. Use them wisely, as you are allowed to ask for help only twice throughout the game.

4

Exhibitions and Challenges: The zoo consists of five distinct animal exhibitions. Each exhibition presents a unique puzzle and holds a key essential for unlocking the final exit. The challenges progressively increase in difficulty from one exhibition to the next.

4

Time Limit: A time limit is set for each exhibition. Failure to solve the puzzle and obtain the key within the given time frame will result in a critical decision. The team must sacrifice one member to the animals, buying the remaining team members additional time equivalent to half of the initial allotted time for that exhibition.

RULES & PREMISES

CONTINUED

6

Animal Aggression: The animals in the zoo are hungry & agitated due to the absence of caretakers. As you progress through the exhibitions, the animals become more aggressive & pose a greater threat. Beware of their behavior and take necessary precautions to avoid harm.

7

Puzzle Solving: Each exhibition presents a puzzle that must be solved to retrieve the key. The puzzles require critical thinking, observation, and logic. Work together with your team to decipher the clues and unravel the mysteries.

8

Security Assistance: The payphones located within each exhibition allow you to contact security for guidance and assistance. They can provide hints or solutions to the puzzles but are limited to two calls throughout the game.

9

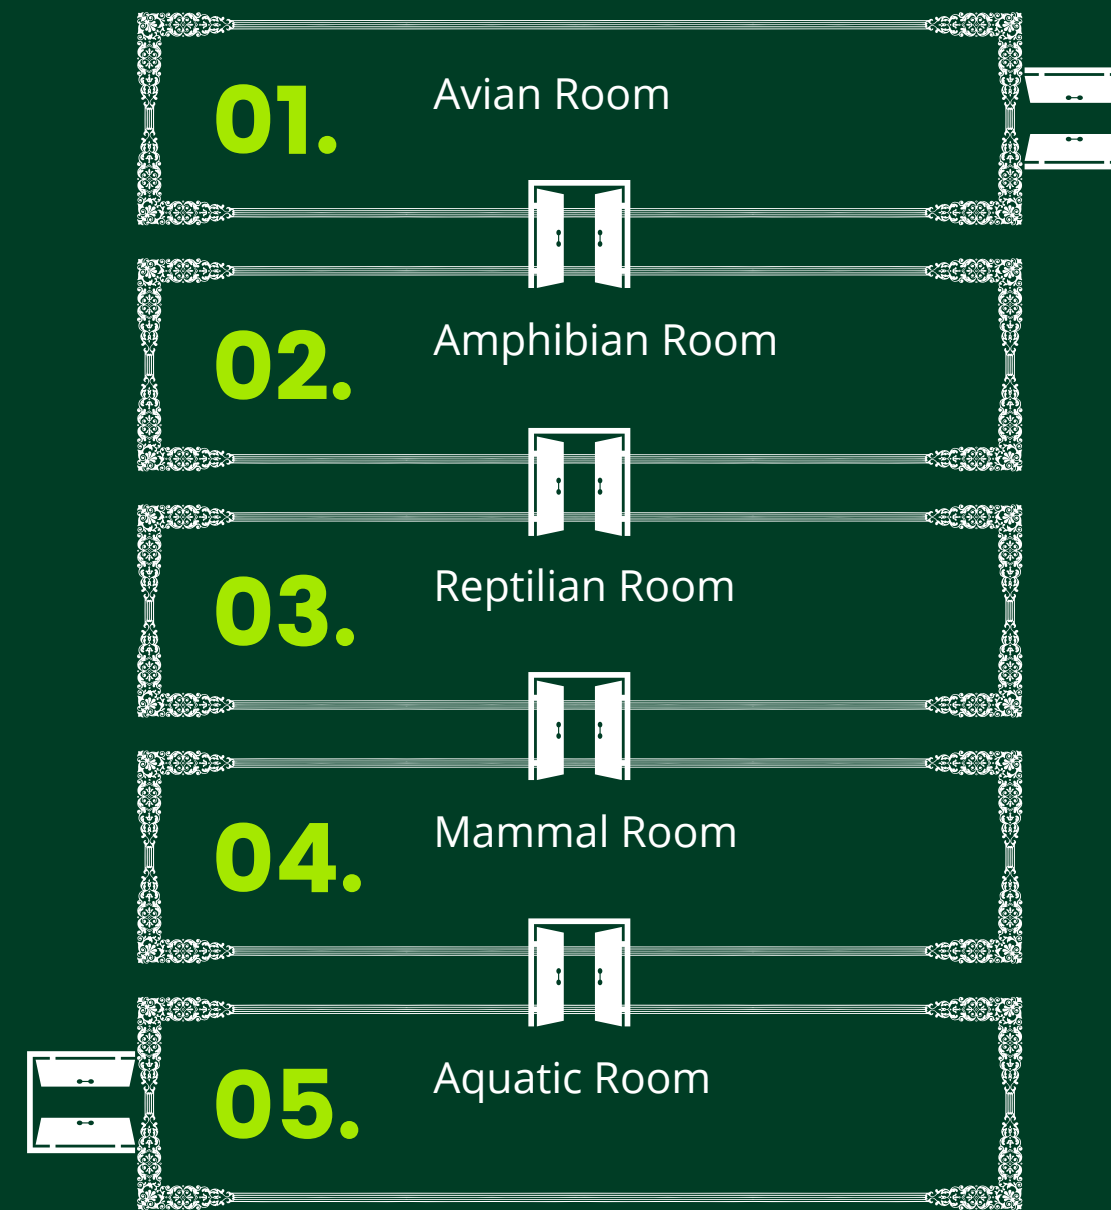

Sacrificing a Team Member: When time runs out in an exhibition, a decision must be made. The team must choose one member to sacrifice to the animals. This sacrifice grants the remaining team members additional time, providing an opportunity to complete the challenge.

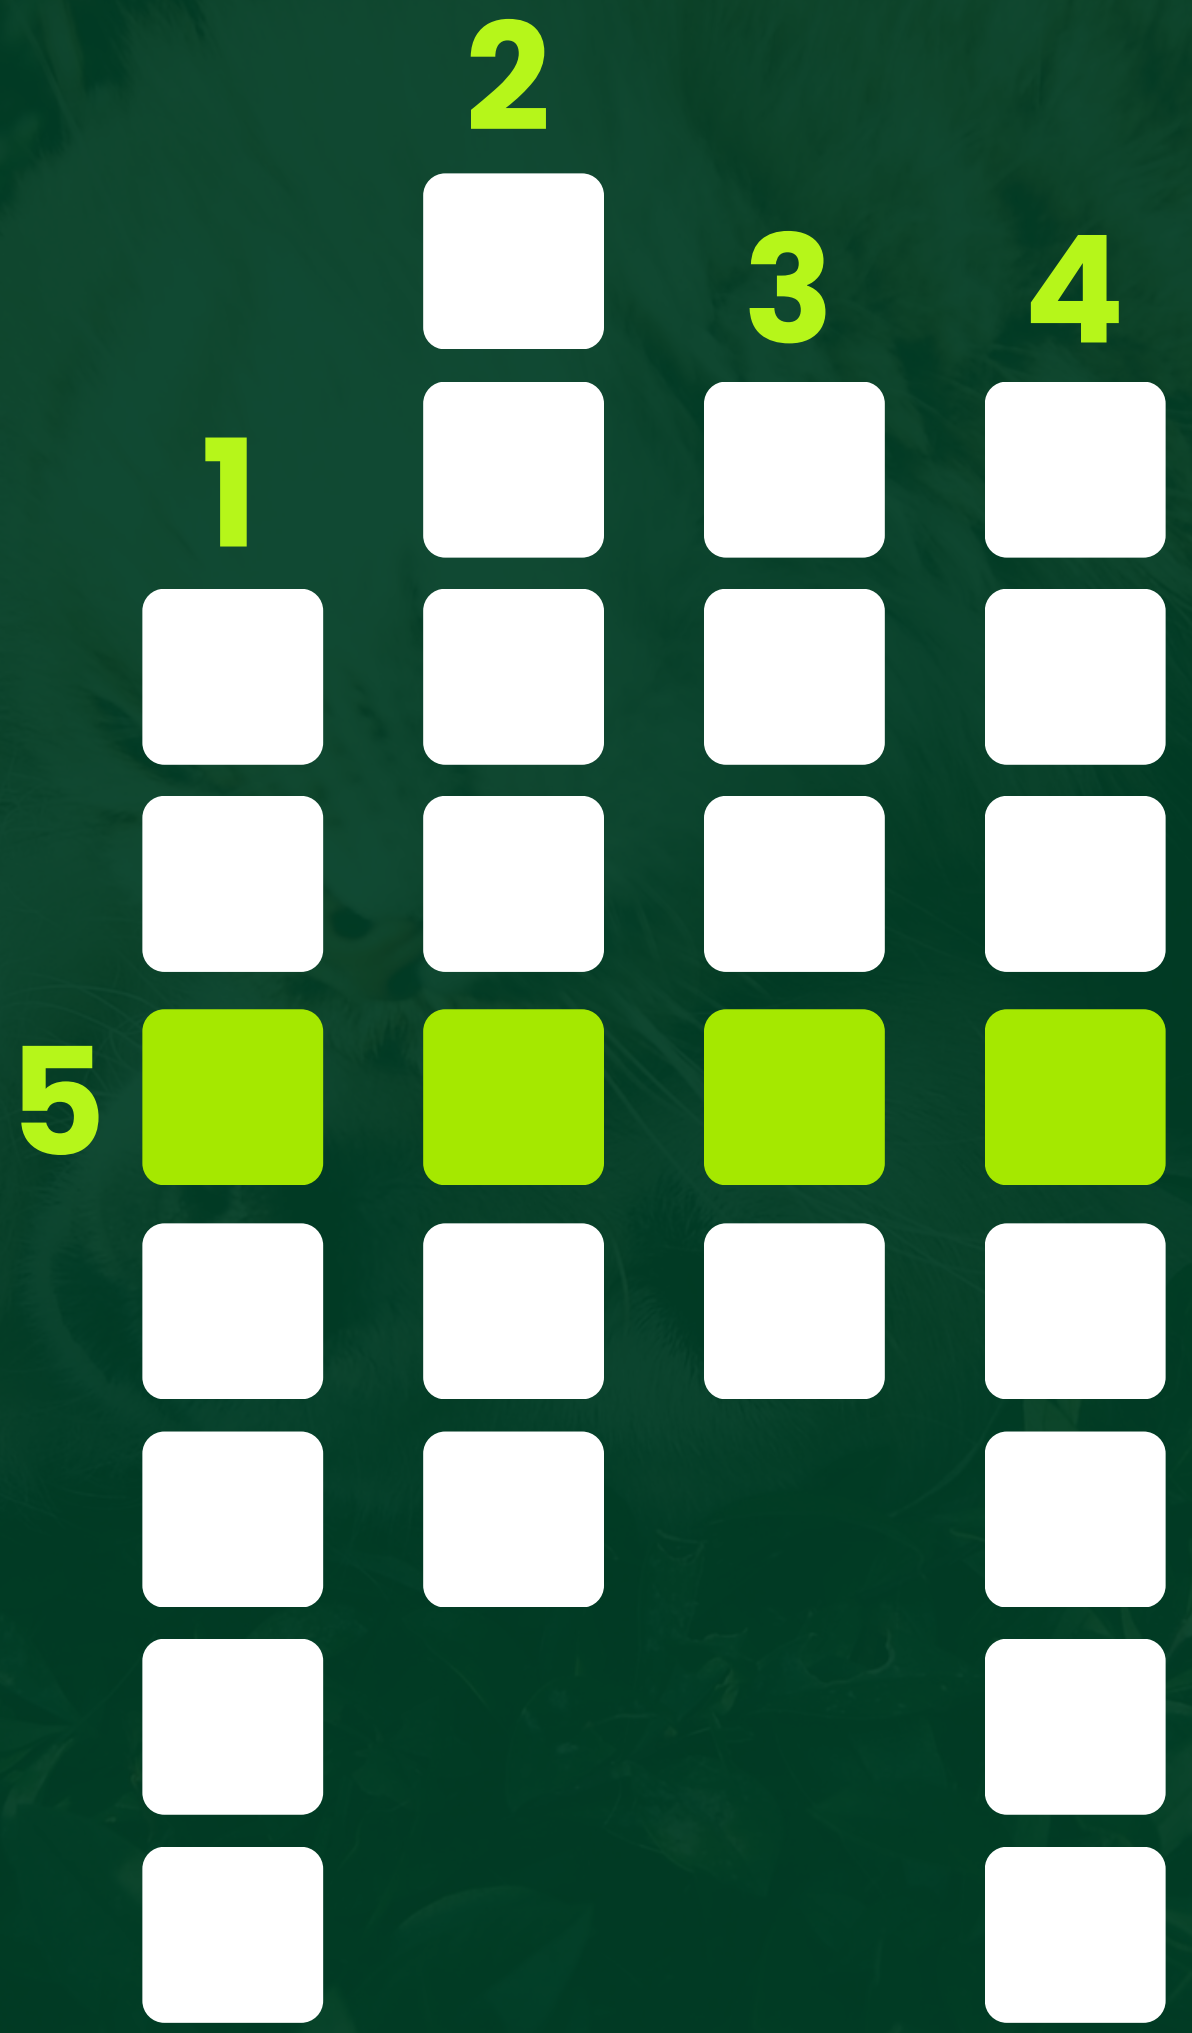

10

Escape: Once all five exhibitions have been successfully completed, with keys obtained from each, you can make your way to the final exit. Use the keys in the correct sequence to unlock the exit door and escape the zoo, thereby completing the adventure.

Collect each key at each room

AWAAN

You enter the bird exhibition, and you see there are many breed of birds flying chaotically around you, concealing the entrance to the next exhibition. Hurry up! There is one hungry vulture that notices you and start to make its way across the flocks of birds to devour you!

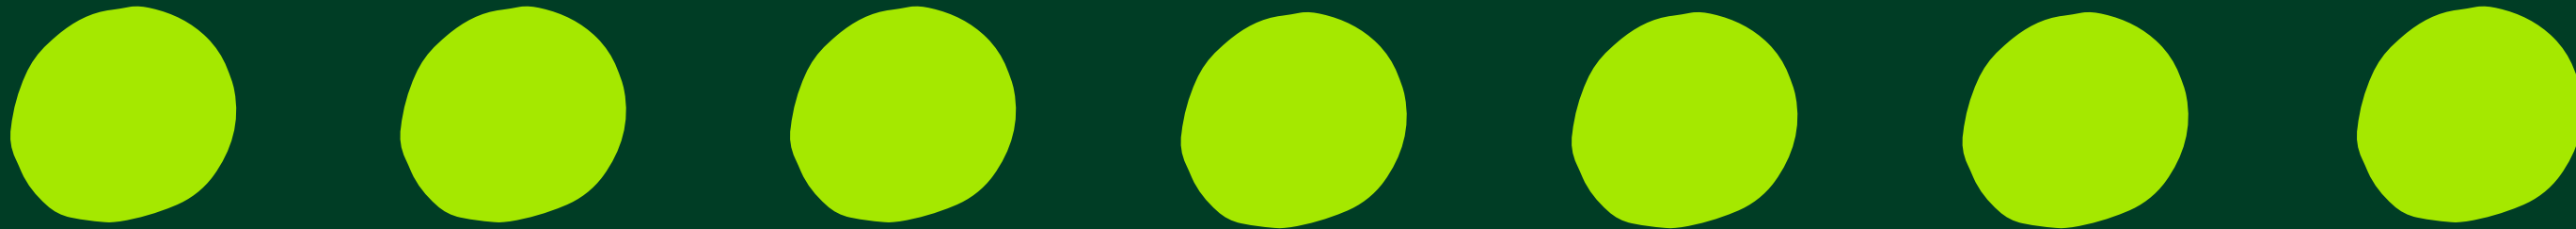

AMPHIBIAN ROOM

Congratulations on successfully "migrating" to the next gate! Now, you find yourself stepping into the captivating realm of the Amphibians exhibition. Standing before you lies a murky swamp teeming with poisonous toads, leaping in your direction. Did you know that frogs possess an extraordinary ability to utilize senses beyond vision for navigation and communication? Perhaps tapping into these additional senses will aid you in finding a *backwards* escape route from this perilous situation.

AMPHIBIAN ROOM

Decipher this phrase to unlock the key to the next gate:

IPSEDAT

Z, Y, X, W, V, U, T, S, R, Q, P, O, N, M, L, K, J, I, H, G, F, E, D, C, B, A

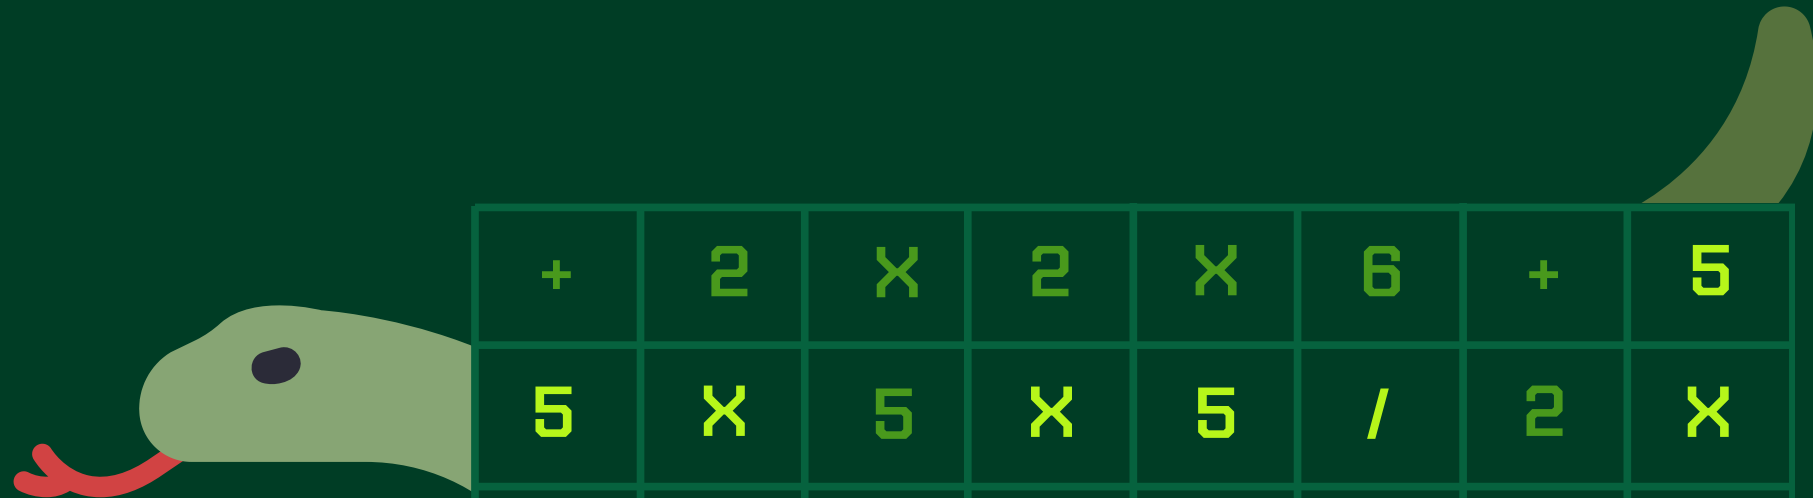

REPTILIAN

ROOM

Congratulations on successfully solving the puzzle of the "tadpole" and making your escape from the gripping confines of the amphibian room. Nevertheless, be aware that the realm of venomous creatures extends beyond just toads. You now find yourself in the reptile exhibition, where you are pursued by deadly snakes. These serpents, cunningly intertwined, form the shapes of numbers and mathematical symbols. Time is of the essence as you must swiftly decipher these snake-shaped puzzles before the serpent strikes! Start at the head and end at the tail. Stay sharp, stay quick, and outwit the snakes to ensure your safe passage through this treacherous exhibition. There's no time to PEMDAS:

+	2	X	2	X	6	+	5
5	X	5	X	5	/	2	X
X	8	/	6	X	2	-	7
4	X	7	X	8	-	3	+
-	5	-	4	X	3	X	9
6	-	5	-	3	-	8	-
-	1	-	2	-	3	+	9
7	-	8	-	9	-	9	-

$5, 2, 7, 2, 5, 6, 2, 5 = 5 [2, 7, 2, 5]$

1 L
2 S
3 E
4 A
5 S
6 G
7 T
8 B
9 Q
0 O
[C

,,_,_ = 5 [_,_,_,_]]

MAMMAL ROOM

You are done with all types of "scales!" Now you've entered the Mammal exhibition. There are many mammals around! Some of them hide away better than others among the wild. Identify all MAMMALS in this picture! Once you're confident you've list all of them, open the next step of this puzzle. Act quickly, the lions are starving!

Examine the mammals gathered in the initial stage and identify those that appear in this crossword puzzle. Determine the shared characteristic among all these mammals and classify them into a specific animal category.

Q	E	I	R	U	A	R	G	R	S	T	D	O	L	A

AQUATIC ROOM

This is the last exhibition: you're very close to the exit!

The big exit sign is flashing behind a big fish tank! With all the keys from the previous 4 rooms, do you know what to look for in the fish tank?

Congratulations on making it through all the prior gates! The keys you solved provided you with a type of fish...a goldfish! In this last sprint, find the missing goldfish in the aquarium, and you would have successfully escaped the zoo!
