Workload: Run an AI Chatbot -1 Public Opinion		

Research Computing Contract Gain +1 VP when you play Scientific Computing or Weather Models as a Workload.	AI Expansion Gain +1 VP when you play Train an LLM or Run an AI Chatbot as a Workload.	Location Optimization Gain +1 VP if you complete a datacenter in a location that does not currently have another completed datacenter.
Consumer Cloud Contract Gain +1 VP when you play Video Streaming, Social Media, or Online Shopping as a Workload.	Edge Computing Gain +1 VP if Run an AI Chatbot, Web Search, or Video Streaming operates in a Big City.	Site Scout Draw 5 cards from the shared deck. Keep 1 Location you find; discard the others.
Community Research Draw 5 shared cards. Keep 1 Public Opinion card you find; discard the others.	Customer Contract Draw 5 shared cards. Keep 1 Workload card you find; discard the others.	Accelerated Construction After playing this card, immediately play 1 legal shared card from your hand.
Water & Power Efficiency Retrofit +1 Power/Water Stability.	Regional Investment +1 Economy.	Regional Investment +1 Economy.
Tax Incentive Deal +2 Economy. −1 Public Feelings.	PR Campaign +1 Public Feelings. Reveal 1 card from your hand publicly.	PR Campaign +1 Public Feelings. Reveal 1 card from your hand publicly.
NDA See the hand of another player but you cannot speak about what you see.	Joint Infrastructure Project Choose another player. If both of you discard 1 personal card, +1 Economy and +1 Power/Water Stability.	NDA See the hand of another player but you cannot speak about what you see.

Card Name Effect Public Research Initiative When a datacenter completes Scientific Computing or Weather Models, gain +1 VP.	Local Economic Development Gain +1 VP when a datacenter is completed in a Small Town or Farmland location.	Digital Public Infrastructure Gain +1 VP when Government Monitoring or Cloud Storage is added to a datacenter.
Balanced Development Gain +1 VP when a datacenter is completed while all three shared tracks are at 4 or higher.	Public Hearing Every player chooses 1 card from their hand and reveals it publicly.	Public Hearing Every player chooses 1 card from their hand and reveals it publicly.
Transparency Rule Choose a player. That player privately shows you 2 cards from their hand.	Transparency Rule Choose a player. That player privately shows you 2 cards from their hand.	Grid & Water Upgrade Grant +1 Power/Water Stability.
Workforce Development Grant +1 Economy.	Ratepayer Protection +1 Public Feelings	Emergency Conservation Order +2 Power/Water Stability. −1 Economy
Fast-Track Review Choose another player. They may immediately play 1 legal shared card from their hand.	Fast-Track Review Choose another player. They may immediately play 1 legal shared card from their hand.	Temporary Moratorium No new Workload may be played until your next turn. Existing Workloads remain.
Zoning Review Return a Location from one unfinished datacenter to the deck.	Public-Private Partnership Choose a Tech player. If both of you discard 1 personal card, +1 Economy and +1 Power/Water Stability.	Public-Private Partnership Choose a Tech player. If both of you discard 1 personal card, +1 Economy and +1 Power/Water Stability.

Computing for the Public Good Gain +1 VP when Scientific Computing or Weather Models is operating in any datacenter.	Water Watch Gain +1 VP if a Desert or Farmland datacenter is completed while Power/Water Stability is 5 or higher.	Community Agreement Gain +1 VP when a datacenter with Bring the Jobs! or Build It, But Green is completed while Public Feelings is 5 or higher.
Responsible Growth Gain +1 VP when a datacenter is completed and that action does not decrease Power/Water Stability or Public Feelings.	Green Growth Any/Tech Gain +2 VP if a completed datacenter has Build It, But Green and Power/Water Stability is 5+.	Public Records Request Choose a player and privately look at 2 random cards from their hand.
Public Records Request Choose a player and privately look at 2 random cards from their hand.	Independent Audit Choose another player. Randomly select 1 card from their hand and reveal it publicly.	Independent Audit Choose another player. Randomly select 1 card from their hand and reveal it publicly.
Community Benefits Campaign Choose a Tech player. They may discard 1 personal card. If they do, +1 Public Feelings and +1 Power/Water Stability.	Town Hall +1 Public Feelings. Reveal 1 card from your hand publicly.	Town Hall +1 Public Feelings. Reveal 1 card from your hand publicly.
Environmental Monitoring +1 Power/Water Stability. Reveal 1 card from your hand publicly.	Protest −1 Economy Workloads cannot be replaced on completed datacenters until your next turn.	Legal Challenge Return the most recently played shared card on an unfinished datacenter to the deck.
Expert Testimony Replace the Public Opinion card on an unfinished datacenter with a Public Opinion card from your hand. Discard the old card.	Investigative Report Choose a card another player showed you this round. Reveal its identity publicly, then draw 1 personal card.	Coalition Building Choose another player. If both players show each other 1 card, both draw 1 personal card.

Category	Role	How you score	Once-per-game ability
Tech	**HyperScale Cloud**	**Economy + 1 VP per completed datacenter**	**Rapid Scale:** After you play a Workload, immediately play one additional legal card from your hand.
Tech	**Efficient Compute Co.**	**½ Economy + ½ Power/Water Stability + 1 VP per completed datacenter**	**Optimization:** After you play a Workload, increase Power/Water Stability by 1.
Government	**Economic Development Office**	**½ Economy + ½ Public Feelings + 1 VP per completed datacenter**	**Fast Track:** Choose another player. They may immediately play one legal shared card from their hand.
Government	**Public Interest Commission**	**½ Public Feelings + ½ Power/Water Stability + ½ Economy**	**Public Hearing:** Every player publicly reveals one card from their hand.
Nonprofit	**Community Voice Coalition**	**Public Feelings + ½ Power/Water Stability**	**Organize:** Once when Public Feelings would decrease, prevent that loss.
Nonprofit	**Environmental Watch**	**Power/Water Stability + ½ Public Feelings**	**Impact Review:** Once when Power/Water Stability would decrease, prevent that loss.
